

Time To Go Home

It's time to go home, the time has come, the work has been done.

So go get your load, and head for the road, the evening's begun.

It's time to make your getaway, until we meet another day,

Oh, yes, it's really time to say, 'Time to go home'.

It's time to make your getaway, until we meet another day,

It's really time to go home.

Song Words

"Firework"

1. Do you ever feel like a plastic bag
Drifting through the wind, wanting to start again?
Do you ever feel, feel so paper thin
Like a house of cards, one blow from caving in?

2. Do you ever feel already buried deep
six feet under scream
But no one seems to hear a thing?
Do you know that there's still a chance for you
'Cause there's a spark in you?

Chorus

You just gotta ignite the light and let it shine
Just own the night like the Fourth of July

'Cause, baby, you're a firework
Come on, show 'em what you're worth
Make 'em go, "Oh, oh, oh"
As you shoot across the sky-y-y

Baby, you're a firework
Come on, let your colours burst
Make 'em go, "Oh, oh, oh"
You're gonna leave 'em falling down-own-own

(Part 1)

Electrical light, electrical light, we all have electrical,
electrical light,
Electrical light, we all have electrical, electrical light.

(Part 2)

Click, click switch, he made his day rich
Say goodnight to the night at the flick of a switch.
Click, click switch, he made his day rich,
We all have electrical (click), light !

Switching it on

On a dark and stormy night, Ben Franklin flew a kite,
To the tail he tied a metal key.

Now it wasn't down to luck, he was sure when lightning
struck,

That he'd shown the world electricity.

Of course he didn't think one day he'd switch it on,
Of course he didn't count on Volta Mather and Swan,
Of course he didn't count on Thomas Edison, Thomas
Edison.

Who took a carbon filament some rarified gas,
Put them in a small glass bulb, now everyone has,
Electrical light, electrical light, we all have electrical
light.

Click, click switch, he made his day rich

Say goodnight to the night at the flick of a switch.

Click, click switch, he made his day rich,

We all have electrical (click), light !

3. You don't have to feel like a wasted space
You're original, cannot be replaced
If you only knew what the future holds
After a hurricane comes a rainbow
Maybe you're the reason why all the doors are closed
So you could open one that leads you to the perfect road
Like a lightning bolt, your heart will glow
And when it's time you'll know

Chorus

You just gotta ignite the light and let it shine
Just own the night like the Fourth of July
'Cause, baby, you're a firework
Come on, show 'em what you're worth
Make 'em go, "Oh, oh, oh"
As you shoot across the sky-y-y
Baby, you're a firework
Come on, let your colours burst
Make 'em go, "Oh, oh, oh"
You're gonna leave 'em all in awe, awe, awe

Boom, boom, boom

Even brighter than the moon, moon, moon
It's always been inside of you, you, you
And now it's time to let it through

Rivers of Babylon

'Cause, baby, you're a firework
Come on, show 'em what you're worth
Make 'em go, "Oh, oh, oh"
As you shoot across the sky-y-y
Baby, you're a firework
Come on, let your colours burst
Make 'em go, "Oh, oh, oh"
You're gonna leave 'em all in awe, awe, awe

Boom, boom, boom
Even brighter than the moon, moon, moon
Boom, boom, boom
Even brighter than the moon, moon, moon

By the Rivers of Babylon, where we sat down,
Yeah we wept, as we remember Zion.
By the Rivers of Babylon, where we sat down,
Yeah we wept, as we remember Zion.

But the wicked carried us away captivity
Require from us a song,
How can we sing the Lord's song in a strange land?

By the Rivers of Babylon, where we sat down,
Yeah we wept, as we remember Zion.
By the Rivers of Babylon, where we sat down,
Yeah we wept, as we remember Zion.

Harvest For The World

**3. When my mind is closing dow,
And I'm lacking inspiration,
I know I can do something about it.
No-one can stop me learning,
Create my dreams and future,
And I will feel empowered from within.**

**We've got the power,
You've got the power,
I've got the power,T
The power in me! X2**

*We've got the power, Got the power
You've got the power, Got the power
I've got the power, I've got
The power in me! X2 the power in me!
I've got the power in me! In me!*

Chorus

1. All babies together, everyone a seed
Half of us are satisfied, half of us in need
Love's bountiful in us, tarnished by our greed
Oh, when will there be a harvest for the world?

A nation of planted, so concerned with gain
As the seasons come and go, greater grows the pain
And far too many feeling the strain
Oh, when will there be a harvest for the world?

Gather every man, gather every woman
Celebrate your lives;give thanks for your children
Gather everyone , gather all together
Overlooking none , hoping life gets better for the better

Dress me up for battle, when all I want is peace
Those of us who pay the price, come home with the least
Nation after nation are turning into beast,
When will there be a harvest for the world?
Harvest for the world (repeat)

He's Gone Now

Well he's gone now, he had to go,
He couldn't find no work around this town.
Earned no wages not for ages,
Got up this morning and he was gone.

Monday morning, it starts to rain.
Around the curve there goes the southbound train.
Didn't kiss him, gonna miss him,
Got up this morning and he was gone.

Morning sunshine, the rooster crows,
Along the highway, going where who knows?
Where's he sleeping, how's he keeping?
When will he take the homeward road?

Power in Me by Rebecca Lawrence

1. When the race is nearly done,
And I feel I can't go on,
I know I can do something about it.
My heart will start to race,
My body find the motion
And I will feel empowered from within.

Chorus

I've got the power in me,
You've got the power in you.
I've got the power, p p power.
Got the power in me,
Nobody's going to hold me back,
Nobody's going to silence my words,
Nobody's going to close my mind,
I've got the power in me!

2. When someone's needing help,
And the world just walks on by,
I know I can do something about it.
I'll stand up for their rights,
My voice will find the words,
And I will feel empowered from within.

Chorus
